Specs

- Awning tent with a high quality canopy in a timeless design (also in details)
  + Special tent fabric : 100% polyester “Airtex”
  + One colour combination fits the different Thule awning fabric finishes
- Easy installation, user friendly
  + Front panel with integrated left and right door
  + Large panoramic windows can be completely removed
  + Side windows are equipped with mosquito mesh
  + Aeration on both sides
  + Fully modular system
- High sturdiness and extremely high stability:
  + Clamping profile ensures mounting and connection of the side panel to the awning fabric.
  + A double rubber flap attached to the mast profile ensures full sealing with the vehicle wall.
  + Diagonal support between the mast and clamping profile.
- Complete with wind slip and luxury bag
